February 15, 2009

Dear Graduate of Hopkins Academy:

Come join us in celebrating the 345th anniversary of Hopkins Academy and the 350th anniversary of the Town of Hadley at our all-class reunion this year!

If you know any Hopkins graduates who have not received the enclosed information, please share it with them and also direct them to our website. While we have tried very hard to build a complete database, this was a huge undertaking and it was not realistic that we would have complete information for all graduates. Any alum who is not in our data base and therefore did not receive this information may now register with us on our website.

On the website, also, you are able to see the by-laws of the Association and to now stay in touch with our updates about the Alumni Reunion which will be held on June 13, 2009, at the Young Men's Club in Hadley. The reunion itself will consist of a social hour and cash bar, a buffet dinner, a short business meeting and possibly some entertainment.

Hopkins graduates can join the Association by paying either the modest yearly dues of \$10 per person, or by paying \$250 to become a lifetime member. Our by-laws declare that if you are recently graduated (within the last 5 years), you will be assessed only one-half the yearly dues. If you have reached your 50th graduation year, you will no longer be assessed any dues. Call me at 413-584-3642 if you need some guidance.

Sincerely,

Connie Paulson Mieczkowski, 1962
Chairman, Hopkins Alumni Reunion Committee
