

JOIN THE ALUMNI ASSOCIATION OF HOPKINS ACADEMY

Are you wishing you could see one of your former schoolmates and “catch up” after all those years since graduation? Join the Alumni Association and have at your fingertips some of the resources necessary to make this possible. Help us to continue our present scholarship, the Constance Higgins Award, which is awarded to a deserving candidate at graduation each year. Our hope is to use dues money to pay for the expenses of the Association, to support our website and to provide monetary support to Hopkins Academy in ways as we see a need.

Hopkins graduates can join the Association by paying either the modest yearly dues of \$10 per person, or by paying \$250 to become a life member. Our by-laws declare that if you are recently graduated (within the last 5 years), you will be assessed only one-half the yearly dues. If you have reached your 50th graduation year, you will no longer be assessed any dues.

If you are interested in joining, please complete the following and mail with your check! (See reverse side for list of current Lifetime Members).
